at the United States Department of Agriculture greenhouses, 14th and B streets, within an hour after the doors had been thrown open this morning. There were more than 200 visitors in the first two hours and a particularly heavy "rush" of visitors during the noon hours, when more than a thousand clerks from the government departments gave the chrysanthemum blooms the "once over."

A group of French officers were among the very first admitted to the show. They were especially anxious to see the "Gen. Joffre" and happy as schoolboys to find the French tricolor waving in honor of their country.

Halloween Reception Held.

There was a Halloween celebration, as a night before event at the greenhouse, where the thousands of beautiful "mums" are on display. Mrs. David F. Houston, wife of the Secretary of Agriculture, and Mrs. Carl Vrooman, wife of the assistant secretary, entertained an official party including the wives of most of the members of the cabinet. There were nearly 100 in the gathering. More than a score of the biggest business men of the country, who are in Washington engaged in war work, took a few refreshing minutes away from their desks today and expressed delight at finding such an array of distinctive blooms. Most of them said it was the finest flower show they had ever seen. A large party from the food admin-

LIVELY HALLOWEEN FOR CAMP MEADE

Parties Given by Practically Every Company in the Entire Division.

CAN'T GO HOME TO VOTE

From a Staff Correspondent of The Star.

CAMP MEADE, Md., November 1.—Halloween was observed in Camp Meade by practically every company in the entire division. In those rare cases where the companies did not have Halloween parties the battalions of which the companies are units did.

The men of the three companies of the 312th Machine Gun Battalion were not to be outdone by other organiza-

tions. The barracks of each of the companies were profusely decorated with corn fodder, evergreens, autumn foliage, pumpkins, ears of corn and the like, and the company cooks went as far as they liked in the preparation of special refreshments. The celebrations began at an unusually early hour, as guests were required to be out of camp by 8 o'clock.

Most Elaborate Affair in Camp.

The dinner and entertainment given by the members of the division Quartermaster Corps was the most elaborate of the many given in camp. The guests included Maj. Gen. Kuhn, Lieut. Col. Tenney Ross, division chief of staff; Maj. Moore, division quartermaster; Brig. Gen. Nicholson, Brig. Gen. Gordon, Col. Rodgers, Col. Sharon, Maj. Smith, Maj. Tate, Maj. Kent, Maj. Barney, Capt. Craven, Capt. Hardwick, Lieut. Lockmiller and others.

The chief of the corps, Andrew Heister, who was for nineteen years at the Bellevue-Stratford, Philadelphia, and who has prepared banquets for princes and potentates of half a dozen royal houses, was in charge of the refreshment features of the affair. Heister, by the way, has four sons in the service of the United States.

Half a hundred pumpkins, carved into artistic semblances of the human face, were included in the decorations, together with garlands of white, red and yellow roses, realistically carved from potatoes, carrots and beets. Lieut. Henry Roeser was in charge of arrangements, with Lieut. Robert Soles as master of ceremonies. Music was furnished by the orchestra of the 312th Ambulance corps.

The musical bit of the evening was a song by Lieut. Thomas Cunningham, entitled, "When Washington Goes Dry," and an encore, "Crossing the Bar." The outfit is composed altogether of Philadelphians.

Officers Have Meatless Day.

Meatless and wheatless days are being observed by all of the officers' messes in the division. On Tuesdays no meat of any kind is served, the day being taken by fish cakes, oysters or other meat substitutes. On Wednesdays wheat bread, biscuit or wheat

PIMPLY? WELL, DON'T BE!

People Notice It—Drive Them Off With Dr. Edwards' Olive Tablets.

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with a "dark brown taste," a bad breath, dull listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look.
